

**Scientific programme for “The 1st OMFS KKU-Cadaveric Workshop in
Oral and Maxillofacial Reconstruction” – OMFS KKU. 25-27 July, 2022**

Date / Time	Activity	Topic	Instructor/Staff	Remarks
Day 1 (Mon 25 July, 2022)				
07.30-08.15		Registration	CE staff	
08.15-08.30		Opening ceremony & Course introduction (15 min)	Dean, Head of Dept, Course Director	
08.30-09.15	Lecture	L1: Neck dissection : What? When? Why? (30 min) L2: Important anatomy for neck dissection (15 min)	Assist.Prof.Dr.Suthin Dr.Niphon, Dheerat	
09.15-09.30	Brief	B1: Supraomohyoid neck dissection (SOHND) (15 min)	VDO	
09.30-09.45		Coffee break 1 (15 min)	CE staff	
09.45-10.00		Dress up/Merit (15 min)	CE staff	
10.00-12.30	Practice	P1: Surgical practice for SOHND for group 1 (2.5 h)	Assist.Prof.Dr.Suthin Assist.Prof.Dr.Boworn and colleagues	-2.5h practice time /participant -Gr.1 practice, Gr.2 assist
12.30-13.30		Lunch / Luncheon symposium (1 h) Dress up	บริษัท A	Dr.Dheerat
13.30-16.00	Practice	P2: Surgical practice for SOHND for group 2 (2.5 h)	Assist.Prof.Dr.Suthin Assist.Prof.Dr.Boworn and colleagues	-2.5h practice time /participant -Gr.2 practice, Gr.1 assist
		Coffee break 2 (at your convenience)	CE staff	
16.00-17.00	Meet the expert	M1: Q&A, Panel discussion, Wrap up (1 h)	Assist.Prof.Dr.Suthin Assist.Prof.Dr.Boworn	Cadaveric wound closure by resident
17.00		End of Day1		
Day 2 (Tue 26 July, 2022)				
08.00-09.15	Lecture	L3: Principle of H&N reconstruction (30 min) L4: Common flap in OMF reconstruction (45 min)	Assist.Prof.Dr.Boworn Assist.Prof.Dr.Suthin	
09.15-09.30	Brief	B2: Common flap in OMS reconstruction - section 1 (15 min) [Nasolabial flap, Paramedian forehead flap]	VDO	
09.30-09.45		Coffee break 3 (15 min)	CE staff	
09.45-10.00		Dress up (15 min)	CE staff	
10.00-11.30 -10.00-10.45 P3.1 -10.45-11.30 P3.2	Practice	P3: Common flap in OMS reconstruction (1.5 h) - P3.1 Nasolabial flap; NLF (45 min) - P3.2 Paramedian forehead flap; PFH (45 min)	Assist.Prof.Dr.Suthin Assist.Prof.Dr.Boworn and colleagues	-20m practice time /flap/participant -Gr.1 practice first and then alternate
11.30-12.30		Lunch / Luncheon symposium (1 h) Dress up	บริษัท B	Dr.Dheerat
12.30-12.45	Brief	B3: Common flap in OMS reconstruction - section 2 (15 min) [DP flap, PMM flap]	VDO	
12.45-16.15 -12.45-15.15 P4.1 -15.15-16.15 P4.2	Practice	P4: Common flap in OMS reconstruction (3.5 h) - P4.1 PMM flap (2.5h) - P4.2 DP flap (1h)	Assist.Prof.Dr.Suthin Assist.Prof.Dr.Boworn and colleagues	-1h15m(PMM), 30m(DP) practice time/participant -Gr.1 practice first and then alternate
		Coffee break 4 (at your convenience)		

16.15-17.00	Meet the expert	M2: Q&A, Panel discussion, Wrap up (45 min)	Assist.Prof.Dr.Suthin Assist.Prof.Dr.Boworn	Cadaveric wound closure by resident
17.00		Ending of Day2		
Day 3 (Wed 27 July, 2022)				
08.00-08.15	Brief	B4: Surgical approach to TMJ (preauricular, retromandibular approach) and TF, TPF flap (15 min)	VDO	
08.15-08.30		Dress up (15 min)	CE staff	
08.30-11.30 -08.30-10.00 P5.1 -10.00-11.30 P5.2	Practice	P5: Surgical approach to TMJ for group 1&2 (3 h) -P5.1 Preauricular approach (± condylectomy) (1.5h) -P5.2 Retromandibular approach (± vertical sliding ramus osteotomy) (1.5h) Coffee break 5 (at your convenience)	Assist.Prof.Dr.Suthin Assist.Prof.Dr.Boworn and colleagues	-45m practice time /approach/participant -Gr.1 do it first and then alternate
11.30-12.30		Lunch / Luncheon symposium (1 h) Dress up (15 min)	บริษัท C	Dr.Dheerat
12.30-12.45	Brief	B5: Hemicoronal (or bicoronal) approach and calvarium bone harvesting (15 min)	VDO	
12.45-15.00 -12.45-13.45 P6.1 -13.45-14.15 P6.2 -14.15-15.00 P6.3	Practice	P6: - P6.1 Hemicoronal (or bicoronal) approach (1h) - P6.2 TPF,TF flap (30m) - P6.3 Calvarium bone harvesting (45m) Coffee break 6 (at your convenience)	Assist.Prof.Dr.Suthin Assist.Prof.Dr.Boworn and colleagues	-30m(P6.1), 15m(P6.2), 20m(P6.3) practice time /participant
15.00-15.15	Brief	B6: Reserved for optional sx. (will be announce later)	VDO	
15.15-16.15	Practice	P7: Reserved for optional sx. (will be announce later)		-1h practice time /participant
16.15-16.30		Merit/Closing (15 min)		Cadaveric wound closure by resident
16.30		Closing ceremony		

* with any limitations, the above mentioned programme is subject to change as appropriate

* group 1 ~ practitioner no.1-6, group 2 ~ practitioner no.7-12

L : Lecture (educational talk by experienced OMF surgeons)

B : Brief (a concise surgical steps briefing before practice on the cadaver)

P : Practice (cadaveric dissection under the supervision of experienced OMF surgeons)

M : Meet the expert (freely talk all about this course with the expert)
